

Activity-based schedule (Kanban/User Story Mapping)

Name: Carter Brezinski
Community (UN SD goal): #4 Quality Education
Date: 10/19/2021

Project Name	In Our City		
Activity	Duration	Start Date	End Date
MVP 1			
MVP 1 – Website Foundation			
Create a functional website that users can create accounts on	14	Oct 19th	Nov 2nd
MVP 1 – User Anonymity			
Allow for these users to create their accounts completely anonymous using usernames and/or privatizing their personal account information on their accounts.	14	Oct 19th	Nov 2nd
MVP 2			
MVP 2 – User Forum Interaction			
Allow for all individual users regardless of role status to view, post, and comment upon forum posts on the website.	14	Nov 2nd	Nov 16th
MVP 3			
MVP 3 – User Stories & Resource Page			
Have a page catered to user stories regarding the inequalities between inner city schools and newly developed schools, as well as have available resources present for anyone to access.	14	Nov 16th	Dec 2nd

MVP 3 – Design & Format Final Design

Edit the design and format of the website so that it looks and functions like a professional website that could be used by anyone daily. Make designs friendly, easily navigable, and easy to understand/learn how to use.
